CASE CALLED FOR A REVOCATION HEARING AS TO VIOLATIONS OF  
CONDITIONS OF SUPERVISED RELEASE.

Counsel for defendant informs and clarifies that the defendant is working at  
a church, one day per week, for which he is paid \$125.00 per month.

Upon inquiry of the Court, the probation officer states that she is aware,  
however, the motion as to violations of conditions of release was filed.

After hearing the parties, the Court finds that the defendant could have made  
a better effort and indeed get a steady job. Therefore, the Court finds that the  
defendant has not complied with his conditions of supervised release, and finds  
there is probable cause to have the supervised release term revoked. A report and  
recommendation will be issued.

Case to be referred to the District Judge for the setting of a Final Revocation  
Hearing.
